Vane pump technology

Easy maintenance
Self priming

Dry running
Constant performance overtime

Seal Less design

Shaft sealing by double stainless steel bellows
Easier and reduced maintenance

Stainless steel construction
FEP static sealing
ATEX certified

Pump Model

SLP25i

Maximum
speed

1000 rpm

Maximum
flow rate

25m³/h / 110 GPM

Maximum
differential pressure

12 bar / 174 psi
